Dear Judge Crotty,

This Firm represents the Defendant, Dwayne Johnson, in the above-referenced matter. The defendant's sentencing is presently scheduled for June 28, 2023. However, Brad Leventhal has just joined this Firm and taken this case over from Kevin Morgan, who is no longer with us. Mr. Leventhal is in the process of activating his ECF account and I expect him to file his notice of appearance as soon as that is activated. He is new to this firm and to Mr. Johnson's case and is still in the process of compiling materials that we would like to make part of a sentencing submission on behalf of Mr. Johnson. Consequently, I am writing to respectfully request a postponement of Mr. Johnson's sentencing date and the due date of his sentencing submission. I am requesting until July 28, 2023 to file our submission, with a corresponding extension of time for the Government's submission, and an extension of the sentencing date to August 28, 2023.

The defense has not made any previous requests for an extension of time to file its sentencing submission or the sentencing date. Mr. Leventhal has contacted AUSA Steven Tugander about this request, and I have been informed the Government takes no position and leaves it at the discretion of your Honor.

I greatly appreciate the Court's consideration of this request and remain available should any additional information be needed. Thank you.

Respectfully submitted,

Lebedin Kofman, LLP
